

QDialog

```
classDiagram
    class QDialog
    class SetPDistDrawParamsDialog
    SetPDistDrawParamsDialog --|> QDialog
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'QDialog'. Below it is a box labeled 'SetPDistDrawParamsDialog'. A blue arrow points from the 'SetPDistDrawParamsDialog' box up to the 'QDialog' box, indicating that 'SetPDistDrawParamsDialog' inherits from 'QDialog'.
